This workshop is one in a series of seminars organised every even year by Humboldt University of Berlin and every odd year by Warsaw University. According to a tradition dating back to the 1970s, the workshop has an informal character. Therefore, submissions of full papers (not exceeding 12 pages) as well as extended abstracts are welcome. Accepted papers will be printed in the workshop proceedings. Selected contributions are planned to appear in a special issue of Fundamenta Informaticae following the regular refereeing procedure of this journal.

**Topics of the workshop include:**
- Mathematical models of concurrency
- Specification languages
- Theory of programming
- Parallel algorithms
- Model checking and testing
- Multi-agent systems
- Rough sets
- Object-oriented approaches
- Knowledge management
- Knowledge discovery and data mining
- Soft computing
- Information technology and management
- Applications

**Organizing and Programme Committee:**
Hans-Dieter Burkhard (Germany)
Ludwik Czaja (Poland)
Anna Gomolinska (Poland)
Monika Heiner (Germany)
Magdalena Kacprzak (Poland)
Hung Son Nguyen (Poland)
Wojciech Penczek (Poland)
Lech Polkowski (Poland)
Louchka Popova-Zeugmann (Germany)
Holger Schlingloff (Germany)
Andrzej Skowron (Poland)
Zhiguiw Suraj (Poland)
Marcin Szczyka (Poland)
Matthias Werner (Germany)
Karsten Wolf (Germany)

**Local Organisation:**
Matthias Werner, Technische Universität Chemnitz
Louchka Popova-Zeugmann, Humboldt-Universität zu Berlin, Germany

**Deadlines:**
- Submission: June 22, 2014
- Notification of acceptance: July 27, 2014
- Final version due: August 24, 2014
- Registration: August 31, 2014
- Workshop: September 29 – October 1, 2014

**Submissions:**
Authors are invited to check in their papers (.pdf in Springer LNCS style, not exceeding 12 pages) electronically.

**Workshop venue:**
The workshop will take place at the Technische Universität Chemnitz (https://www.tu-chemnitz.de), Straße der Nationen 62, 09111 Chemnitz. The engineering training at the Chemnitz alma mater has more than 175 years old tradition which started in 1836 with the foundation of the “Royal Gewerbschule Chemnitz”. The venue https://www.tu-chemnitz.de/tu/lageplan/lage.php.en is easily reachable by public transportation. Hotels of different categories and hostels are situated in the neighborhood. More information will shortly be published on the CS&P 2014 web-pages http://www2.informatik.hu-berlin.de/csp2014/index.html

**Participation and registration:**
For each accepted paper, at least one author must register and present the paper at the workshop. The registration fee covers lunch and soft drinks during the workshop and the dinner on 30 September, 2014. The participants are responsible for their own accommodation. Registration must be made before September 1, 2014 using the web-pages http://www2.informatik.hu-berlin.de/csp2014/registration.html

**Time Schedule:**
The workshop will start Monday, 29 September, 2014 morning, and end Wednesday, 1 October, 2014, afternoon. On Tuesday, 30 September, 2012 there will be an excursion and a conference dinner.
